We, C.I.S Network Sdn Bhd, organiser of trade and lifestyle exhibitions based in Malaysia wishes to notify our exhibitors and potential exhibitors (“Client”) as well as trade visitors (“Visitors”) visiting our exhibitions regarding scams that are carried out by irresponsible parties who have used our company name and referred to the exhibitions organised by us to mislead our Clients & Visitors into believing that we are part of its team to offer the **online directory listings** and **expo housing services** or **contacts of attendees and exhibiting companies**.

Please be informed that we have never endorsed or agreed with such party to be referred to for its online directory listings and expo housing services or campaigns.

We advise our Clients & Visitors to be vigilant if you are approached by these parties in whatever manners be it online or offline. By agreeing to the offer/contract forwarded by them to you, will cause monetary loss and unnecessary hassles to you.

We further advise our Clients & Visitors not to be deceived by such services or campaigns offered by any parties who would use our company name in reference to exhibitions organised by us or any references to our partners and / or exhibitors / sponsors because we have not appointed any parties or representatives to act on our behalf for such services or campaigns.

If you receive such offers, protect yourself by not responding to any such unsolicited offers.
